We are proud to reflect that this is the 31st consecutive year that we have been offering summer courses at London’s prestigious Dulwich College.

The school is most fortunate to own such extensive green spaces so close to central London; a safe and quiet village setting only about 20 minutes’ drive from the city centre. Dulwich College was founded in 1619 by an associate of Shakespeare and the splendid buildings at the heart of its campus date back to 1868.

As well as valuing its great tradition, Dulwich College is dedicated to providing the very best in modern classrooms, computing, accommodation and sports facilities. The school offers summer students not just a London course in a village setting, but also a 21st century campus in a historic environment.

The boarding houses in which students are accommodated, Blew House and Ivyholme all have en-suite bathroom facilities and comprise singles, twins and triple rooms.

Catering is of a high standard, with full English and continental breakfasts on offer, and a good selection of hot meals and salads available at lunch and dinner. On excursion days, students are supplied with a packed lunch containing a sandwich, pasta or noodle pot, along with fruit, snacks and water.

Social events

Part of the special atmosphere of Our World English Schools comes from the close friendships which develop between students. Many of them keep in touch after the summer is over, and many come back year after year. The wide range of nationalities provides a fascinating insight into other cultures.

After a full day of English lessons, activities and sports in the evenings, students enjoy a lively programme of social activities. Each week there is a varied social programme with fun events such as a disco, barbecue, challenge event, treasure hunt and sports competition or similar. Students also have some free time to spend in the boarding house, common rooms and computer facilities, or relaxing in the extensive grounds. There are special events too, such as Quiz Night and the highly enjoyable Talent Show in which students and Our World staff share the spotlight.

The Talent Show was amazing. I had so much fun, especially watching the staff take part.

General Information

Course staff

Our World English Schools offers an excellent ratio of staff to students, according to the ethos and high standard of student care that our courses follow. We employ carefully selected and suitably qualified teachers in the classroom and responsible members of activities staff to organise and run an extensive social and excursion programme.

Each school is led by a Centre Manager who is directly responsible for the welfare of all students and staff. He/she leads a team of teaching, activities and welfare staff who teach the students in the classroom, accompany them on excursions, instruct and supervise the students’ social programme and ensure high levels of safety and welfare. Most staff are also resident in the boarding houses with students.

We employ a team of enthusiastic and capable staff who ensure the students’ safety, wellbeing and enjoyment at all times in order for the students to gain the maximum possible benefit from the course.

Arrivals and departures

Students should arrive at and depart from London Gatwick or London Heathrow airport or London St Pancras Station. The return UK transfer is included in the package price for flights/trains scheduled to arrive/ depart between 10am and 4pm. Students will be met at the airport or train station by a member of Our World staff at the appropriate exit point, carrying a board with the Our World English Schools logo and the student’s name. If several students arrive at a similar time of day, some may be asked to wait until we have met another arrival before leaving the airport or station. Upon departure, Our World staff will accompany students to the airport or station and will stay until they have gone through security into the departure area.

Students must have a valid return travel ticket, complete with a time and date. It is essential that we are kept informed of any changes to the students’ travel arrangements. Parents must not assume that we have received details of changes until they are acknowledged by us in writing.

Meals

Students will have most of their meals in the school dining hall. A large selection of hot and cold options are on offer for breakfast, lunch and dinner, with vegetarian options also available. Drinks and snacks are provided during break times.

Any special dietary requirements can be catered for upon request. Packed lunches will be provided on excursions.

5. Drug-taking or suspicion of controlled drug-taking of any kind will result in immediate dismissal.

Pocket money and valuables

All course expenses are included in the course fees, however, students may want to bring a small amount of pocket money for souvenirs and other expenses e.g. UK sim cards. We believe £100 - £150 per week should be adequate. Upon the student’s arrival, their passport, pocket money and other documents will be collected and a banking service will be available.

Our World English Schools disclaims responsibility for loss or damage to students’ personal possessions, money and other valuables, except when officially banked with us.

All staff are safeguarding trained and several are also trained in First Aid. Students will be taken to the local health centre or hospital when necessary. Please include any relevant medical details on the application and medical forms.
